Builders Exchange of East Central Ohio Energy Buying Pool

All Members are eligible to join this Energy Buying Pool designed Exclusively for Builders Exchange Members

Premier Power will provide a no obligation quote to you for electric and/or natural gas service

- Our services are RISK FREE. Join our energy buying pool and we will provide you with a current market analysis for your accounts. We will then show you how much money we can save for you.
- If your lowest cost option is to remain with your host utility, we will tell you so.
- There is no cost to you for this analysis to be performed and no obligation on your part to buy anything from Premier if you elect to have this analysis performed.
- **In many cases, the savings generated by this energy buying pool alone will be greater than your cost of membership in the Builders Exchange**

Here are some facts about Premier energy pools:

- Premier energy pools have been in existence for the past 10 years
- Existing pool members have saved millions of dollars on their energy bills since joining the pool
- Even if you have had someone look at this before and there was no benefit available to you at that time, now is a good time to look again. Energy rates offered by the local utilities have just recently increased, so now is a good time to check out the pricing that we can offer.

What do I need to do now?

- **All you need to do to become a new member is, complete the enclosed Pool Membership Form, Letter of Authorization, and fax them along a copy of each recent utility bill to us at the fax number shown above.** After we receive your completed forms, I will contact you to discuss available options. Remember, there is **no fee required** to join our Pool.
- You will NEVER receive a bill from Premier Power Solutions for our services! We receive our fee from the supplier only if we can find you a better rate that you accept.

If you have any questions or want to meet with us in person at your place of business, please feel free to contact me at the number above.

Builders Exchange of East Central Ohio
Energy Buying Pool Membership Form

TO: Competitive Retail Energy Suppliers

RE: Premier Power Solutions Energy Buying Pool

I _____, of _____ elect to become a participant in the Builders Exchange of East Central Ohio Energy Buying Pool. As a pool member, we authorize Premier Power Solutions, the pool manager, to be our single point of contact to shop the retail energy markets on our behalf. Please provide Premier Power Solutions with a price quote and contract terms for electricity and/or natural gas service for their review. They will review your pricing and contract along with other pricing and contracts that they solicit on behalf of pool members and bring it to us to consider. We will select who our energy provider will be after reviewing their recommendations.

I understand that Premier Power Solutions receives its compensation for these services from the retail energy supplier. The fee is included as an indirect sales cost component in the pricing that the supplier provides to Premier to give to us. As a result, we will never receive a bill from Premier Power Solutions for services under this agreement. We also understand that Premier receives the same compensation from each retail energy provider that it represents, thus maintaining its objectivity on behalf of the customer.

This agreement is confidential in nature and should not be shared with anyone other than the intended parties.

Either party may terminate this Pool Membership Agreement for any reason upon 60 days written notice to the other party.

Premier Power Solutions, LLC does not have the right to sign or otherwise execute any agreement that would bind us in any way.

Signed – Premier Power Solutions, LLC
